No. 581.
SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(*a.*) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

I have, etc.,
A. BONAR LAW.

The Governor-General,
His Royal Highness
The Duke of Connaught and of Strathearn, K.G., etc., *etc.*

BRITISH PROPERTY IN ENEMY COUNTRIES.

HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(*a.*) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(*b.*) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public *securities* of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

And whereas it is expedient that provision should be made in pursuance of the said Act, as amended as aforesaid, for all such purposes:

Now, therefore, We have thought fit, by and with the advice of Our Executive Council of Our said Province, to issue this Our Proclamation, and We do hereby proclaim, direct, declare, and ordain as follows:—

1. In this Proclamation—

not include liens under the "Mechanics' Lien Act" or a certificate of judgment.

"Land" includes all real property, and every estate, right, title, and interest in land or real property, both legal and equitable, and of whatsoever nature and kind, and any contingent, executory, or future interest therein, and a possibility coupled with an interest in such land or real property, whether the object of the gift or limitation of such interest or possibility be ascertained or not, and also a right of entry, whether immediate or future, and whether vested or contingent, into and upon any land.

2. This Proclamation shall—

(*a.*) Authorize any Judge or any Court in the the Province in which any action or proceeding was pending on the fourth day of August, 1914, or has since been or may hereafter be taken to secure or enforce any right, remedy, or obligation under any instrument, or in respect of the lands, moneys, covenants, stipulations, or agreements mentioned or contained therein, by order,—

(i.) To postpone the payment of any moneys relating wholly or in part to principal due or accruing due in pursuance of such instrument, and for such purpose to stay any such action or proceeding and the execution of any process already issued in such action, and any proceeding to enforce payment by sale, writ of execution, or other process of the Court in any such action, until after the lapse of a time named in such order; and in the discretion of such Judge to postpone in like manner and by the like means the payment of any moneys relating to interest or taxes due or accruing due in pursuance of such instrument;

(ii.) In case of any such action or proceeding upon an instrument charging land upon which any person liable for the payment of the money charged by the instrument, or any member of his family, lives, the whole or the major portion of which is occupied by the person living thereon as his *bona-fide* place of residence, to postpone, in like manner and by the like means set out in subclause (i), the payment of any moneys relating to interest due or accruing due in pursuance of the instrument;

(iii.) To fix the period to be allowed for redemption of land or any mortgage or charge thereon in any such action or proceeding; and in any such action or proceeding in which the time for redemption has been fixed, to extend the same until after the lapse of a time named in such order:

(*b.*) Authorize any Judge of the Supreme Court of British Columbia to order, in respect of any instrument, that no person shall, under or by virtue of any power of sale or other power contained in the instrument, or by any other extra-judicial process whatsoever, declare or take advantage of any forfeiture of any land or of any money paid or deposited in respect of the purchase of any land, or take or continue any proceedings for the sale of any land, or levy any distress, or take, resume, or enter into possession of any land, until after the lapse of a time named in such order, and then only on such conditions (if any) as the Court may impose; and to order that any goods taken upon any distress levied or any possession of land taken, resumed, or entered into before such order be restored:

(*c.*) Declare, in respect of all instruments, that no person shall, under or by virtue of any power of sale or other power contained in any instrument, or by any other extra-judicial process whatsoever, declare or take advantage of any forfeiture of any land or of any money paid or deposited in respect of the purchase of any land, or take or continue any proceedings for the sale of any land, until after notice in writing of the intention to declare or take advantage of such forfeiture or to take proceedings under such power or process has first been personally served for a period of one month on the mortgagor, encumbrancer, or vendee, and on all persons shown to have any interest in the lands by the records of the Land Registry Office of the land registration district in which the lands are situate, or if in any case personal service of such notice cannot be effected with the exercise of all due diligence, then by effecting such other service of the same as may be directed by any Judge of the Supreme Court:

DOMINION ORDERS IN COUNCIL.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 1st day of August, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

HIS Excellency the Governor-General in Council on the recommendation of the Minister of the Interior is pleased to order and it is hereby ordered as follows:—

The regulations governing the granting of yearly licences and permits to cut timber on Dominion lands in Manitoba, Saskatchewan, Alberta, the North-west Territories, the Railway Belt in the Province of British Columbia, and the tract of three and one-half million acres controlled by the Dominion in the Peace River District in the Province of British Columbia, established by Order in Council of the 1st July, 1893, and subsequent Orders in Council, are hereby amended as follows:—

The words "to be located" in the fifth line of clause 1 are hereby eliminated, and the word "controlled" substituted.

The words "which shall include the cost of survey" are hereby inserted after the word "of" in the last line of clause 2.

Subclause "B" of clause 6 is hereby rescinded.

The following sentence is hereby added to clause 15: "When the boundary-line or lines of a licensed berth or any portion of such lines have not been fully surveyed or have become obliterated from any cause, the Minister may require the licensee, at his own expense, to survey any portion of

such lines as has not been heretofore surveyed, or to re-establish upon the ground any lines that have become so obliterated."

The following sub-clause is hereby inserted after subclause "A" of clause 17: "All merchantable timber of the class authorized to be cut under a licence shall be cut and taken from a berth as cutting progresses, and any timber of that class left uncut and unremoved after a date named in a notice served on the licensee, or his authorized agent, shall be estimated in feet board measure by a Dominion Timber Inspector, and shall be subject to payment to the Department, on demand, of ordinary royalty dues."

"In the event of timber upon a licensed berth, of the class authorized to be cut, becoming fire-killed or dead, in the judgment of the Timber Inspector, the Minister may require the licensee to cut and remove the same, and all such timber left uncut and unremoved from the berth after a date named in a notice served upon the licensee, or his authorized agent, shall be estimated in feet board measure by a Timber Inspector, and the licensee shall pay dues thereon as provided in the regulations according to such estimate."

The words "when sold for purposes of fuel" are hereby inserted after the word "slabs" in the third to the last line of subclause "G" of clause 17.

Subclause "H" of clause 17 is hereby rescinded.

Clause 20 is hereby amended so as to provide that the dues on railway ties 8 feet long, when hewn, shall be 2½ cents each, and when sawn shall be 2 cents each; and the words "when sold for purposes of fuel" are hereby inserted after the word "slabs" where it appears in this clause.

The words "or permit" are hereby inserted after the word "license" in the first line of clause 23.

The words "for fuel purposes" are hereby inserted after the word "slabs" in the third to the last line of clause 26.

Clause 27 is hereby rescinded and the following clause substituted: "Licensees are required to keep a bush count of all saw-logs and other timber cut upon a berth, as well as the number of pieces hauled therefrom, in the form of a book to be furnished for the purpose by the Crown Timber Agent. The books covering operations for twelve months ending the 30th April in each year are to be returned to the said Agent, duly completed by the foreman in charge of operations, who shall subscribe to the affidavit therein.

"(*a.*) All saw-logs and other timber cut upon a licensed or permit berth, or upon unpatented homestead lands within the Railway Belt of the Province of British Columbia, whether merchantable or cull, must be clearly marked with a distinguishing number on scaling end with crayon, chalk or pencil, at time of scaling.

"Numbering will be necessary even when logs will be sawn immediately or before being placed in the water. The scale of each log and length will be entered opposite its number in consecutive order in a scale-book, cull logs being identified by the addition of the letter "C."

"Where operations are carried on to such an extent as to require the use of more than one scale-book, the books are to be numbered serially with letters of the alphabet in the order in which they are used. These books are to be carefully preserved by the licensee for inspection by the Crown Timber Agent or other officer of the Crown.

"No person is authorized to scale timber cut upon Dominion lands other than those authorized in writing by the Minister or his appointed agent.

"(*b.*) The requirements in the next preceding subclause will not apply to timber cut on Dominion lands within the Railway Belt lying south of a line drawn east and west from the Town of Yale.

"All timber cut within said tract, which is subject to Crown dues, shall be scaled by a Dominion Timber Scaler holding a scaler's licence from the British Columbia Government, and in accordance with standard methods.

"(*c.*) The following fees, to which shall be added reasonable expenses, shall be paid for the scaler's services by the licensee or permittee conducting operations:—

For scaling saw-logs and spars	5c. per M. ft. B.M.
For measuring piles and poles	5c. for ea. 200 lin. ft.
For measuring railway-ties, pulpwood, shingle-bolts, or cordwood	5c. for ea. cord of 126 cubic ft.

"When the fees and reasonable expenses are not paid promptly on completion of the work, the amount due shall be made a lien upon the timber with respect to which the work was done or upon the berth from which the timber was taken.

"In the event of a licensee, permittee, or purchaser disputing the Inspector's scale, on application to the Crown Timber Agent for the district, a rescale of the timber will be made by another Dominion Scaler, and in such case the person requiring his services must pay such additional expense or cost as may be occasioned thereby:

"Provided that if the original scale made be proved inaccurate to an extent of three per cent. on the total scale, a second charge for the work shall not be made.

"(*d.*) The scaling officer shall deliver copy of any scale made by him to the owner of the timber scaled, upon demand, and upon payment of his fees and expenses:

"(*e.*) The Crown Timber Agent, or other duly authorized officer of the Department shall act as arbiter in any dispute that may arise between a licensee, permittee or purchaser and the official scaler, as to the measurements of any timber, and his award shall be binding upon all parties without appeal:

"(*f.*) All diameters of logs shall be measured inside of the bark at the top end of the log. Logs cut on berths situated south of a line drawn east and west from the Town of Yale, of a length exceeding 32 feet, shall be scaled as two or more logs as nearly in equal length as possible in even feet. North and east of said line at Yale, logs measuring 24 feet and of greater length shall be scaled as two or more logs in as far as practicable in lengths of not less than 12 feet.

"The diameter of other than the top lengths should be increased in accordance with the taper of the log. Where logs are not round, scalers will average the greatest diameter with that at right angles to it. Four diameters may be measured when necessary to obtain a fair average. The necessary reduction in diameter will be made for swellings at the scaling end of logs from which no lumber can be cut.

"Diameters will be rounded off to the nearest inch above and below the actual diameter, exactly half way between inches will be thrown to the next lowest inch.

"(*g.*) No timber or saw-logs shall be manufactured or sawn until the same have been scaled in accordance with the requirements of these regulations, and any person violating this provision shall be liable to have such timber or product of manufacture therefrom seized and forfeited, wholly or in part, to the Crown, or pay dues thereon at the rate of five dollars per thousand feet board measure, according as the Minister may direct."

The following sentence is hereby added to clause 29:—

"Timber not so marked in a conspicuous place may be seized by the Crown and confiscated, or penalty dues charged thereon, as the Minister may decide."

The words "twenty-four hours" in the sixth line of clause 32 are hereby eliminated, and the words "one day" substituted.

The words "of double the amount of all dues and the penalties and costs incurred or imposed thereon, as the case may be," are hereby eliminated from clause 37, and the following substituted therefor: "of $5 for each thousand feet board measure of lumber or timber so seized, and three times the rate charged as permit dues on all such other timber or product thereof so seized."

The word "wood" in the fifth line of clause 42 is hereby eliminated, and the word "cordwood" substituted.

Subclause "A" of clause 42 is hereby amended so as to provide that the dues on fence rails of green timber 6 inches and under at the butt end be 2 cents each, and that the dues on railway ties 6 feet long, when hewn, be 5 cents each, and when sawn 4 cents each.

The words "coal lands" in the first line of subclause "C" of clause 42 are hereby eliminated, and the word "mines" is substituted.

The words "be piled together in a heap and not left scattered through the bush" are hereby eliminated from clause 47, and the words "either be lopped off so that they will be flat on the ground, or shall be piled together in a heap and burnt, and not left scattered through the bush" are substituted.
